

The **Worldhouse** is a center for undocumented migrants, providing information, a warm meal, counselling and education. It offers all kinds of activities, mostly organised by undocumented migrants themselves. This distracts them from their daily challenges and helps them regain their dignity and get better perspectives in the future.

WORLDHOUSE-AMBASSADORS

8 X TARGET GROUPS:

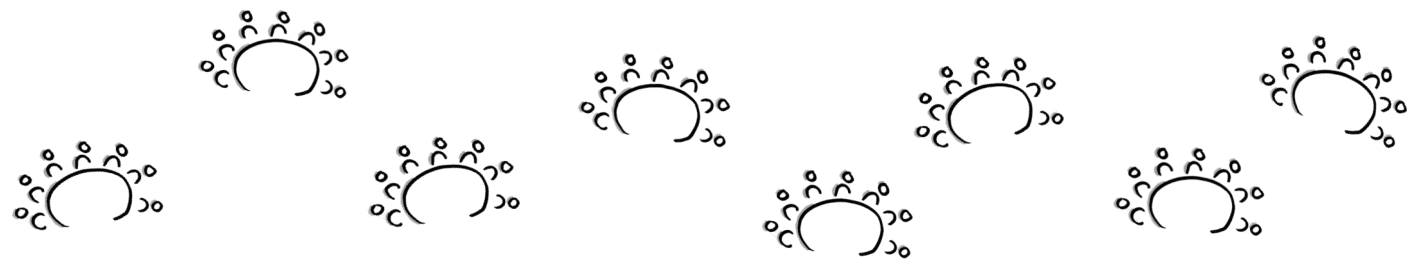

GVB, police, students, neighbours, homeless, managers, religious leaders, artists

- Our goals:**
- * Organising activities in which there is real sharing taking place.
 - * Contributing to an opener attitude towards undocumented migrants.
 - * Connecting the Worldhouse-ambassadors to Dutch society and its inhabitants and make them feel more part of it.
 - * Tackling misunderstandings and prejudices.
 - * Creating more mutual understanding and eventually a more merciful and tolerant society.

AMSTERDAM 2019

WE WILL ORGANIZE 8 MEETINGS:

- * participants : 2-4 ambassadors + 6-8 per target group
- * tailor-made elements and topics per meeting
